5. Password details for shareholders other than Individual shareholders are given below:

- If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
- If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
- How to retrieve your 'initial password' ?
 - If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered**

6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:

- Click on "**Forgot User Details/Password?**" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
- Physical User Reset Password?** (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
- If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
- Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.

7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.

8. Now, you will have to click on "Login" button.

9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system

- After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.
- Select "EVEN" of the company for which you wish to cast your vote during the remote e-Voting period and cast your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join General Meeting".
- Now you are ready for e-Voting as the Voting page opens.
- Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.

Notice

5. Upon confirmation, the message "Vote cast successfully" will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.

In respect of Item No. 6

The Board of Directors of the Company at their meeting held on 14th May, 2022 have approved the alteration of the Memorandum of Association (MOA) of the Company by addition of sub clause 14 in Clause III of the MOA subject to the approval of the members at the 39th AGM. As per the provisions of Section 13 of the Act, alteration of the Memorandum of Association of the Company needs to be approved by the members of the Company, to enable the Company to invest the surplus funds generated from the sale of the Company's Textile unit situated at Ahmedabad and other surplus generated.

Your Directors recommend the resolution to be passed as a Special Resolution for approval of the shareholders.

None of the Directors, Key Managerial Personnels or their relatives are interested or concerned, financially or otherwise, in the resolution set out at Item No. 6 of the Notice.

In respect of Item No. 7

The Articles of Association of the Company currently in force were adopted in accordance with the provisions of the Companies Act, 1956. With the enactment of Companies Act, 2013 ("the Act") and the substantive sections of the Act being notified, it is now proposed to replace the existing Articles of Association with new set of Articles of Association. As per the provisions of Section 14 of the Act, alteration of the Articles of Association of the Company needs to be approved by the members of the Company. The Board of Directors of the Company at their meeting held on 14th May, 2022 have approved the same subject to the approval of the members at the 39th AGM.

Notice

Your Directors recommend the resolution to be passed as a Special Resolution for approval of the shareholders.

None of the Directors, Key Managerial Personnel or their relatives are interested or concerned, financially or otherwise, in the resolution set out at Item No. 7 of the Notice.

In respect of Item No. 8

The provisions of Section 186 of the Companies Act, 2013 (the Act) read with the Companies (Meetings of Board and its Powers) Rules, 2014, as amended, provides that no company is permitted to, directly or indirectly, (a) give any loan to any person or other body corporate; (b) give any guarantee or provide security in connection with a loan to any other body corporate or person; and (c) acquire by way of subscription, purchase or otherwise, the securities of any other body corporate, exceeding sixty percent of its paidup share capital, free reserves and securities premium account or one hundred per cent of its free reserves and securities premium account, whichever is more. Further, sub-section 3 to Section 186 of the Act provides that where the giving of any loan or guarantee or providing any security or the acquisition as provided under Section 186(2) of the Act, exceeds the limits specified therein, prior approval of members by means of a Special Resolution is required to be obtained at a general meeting.

The surplus funds generated from the sale of the Company's Textile unit at Ahmedabad would be required to be invested. The surplus funds generated after the sale can be invested in securities market, AIF of all Categories, Venture Capital Funds, Bonds or debentures of any kind whether secured, unsecured, convertible, non-convertible, etc. Accordingly, the limits of inter corporate loans, guarantees and investment made by the Company were required to be increased by taking the approval of the Shareholders under Section 186 of the Companies Act, 2013.

In view of the above and considering the long term business plans of the Company, which may require the Company to make sizeable loans / investments and/or issue guarantees / securities to persons or bodies corporate, from time to time, prior approval of the members is being sought for enhancing the said limits upto Rupees One Hundred Crores which is above the threshold limit as calculated under Section 186 of the Companies Act, 2013.

Your Directors recommend the resolution to be passed as a Special Resolution for approval of the shareholders.

None of the Directors, Key Managerial Personnel or their relatives are interested or concerned, financially or otherwise, in the resolution set out at Item No. 8 of the Notice.

In respect of Item No. 9

M/s. D. Radhakrishnan & Co., (Firm Regn. No. 000018), Cost Accountants have been conducting the Cost Audit for the Tea Division of the Company from last few years. The Board, on the recommendation of the Audit Committee, has approved the appointment and remuneration of M/s. D. Radhakrishnan & Co., as the Cost Auditors of the Tea Division of the Company on 14th May, 2022 to conduct the audit of the cost records of the Tea Division of the Company for the financial year ending on 31st March, 2023.

In accordance with the provisions of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014, a remuneration of ₹ 30,000/- p.a. plus out of pocket expenses and taxes, if any, payable to the Cost Auditors has to be approved by the shareholders of the Company. Accordingly, consent of the members is being sought for passing an Ordinary Resolution for approval of the remuneration payable to the Cost Auditors for the financial year ending 31st March, 2023.

Your Directors recommend the resolution to be passed as an Ordinary Resolution for approval of the shareholders.

None of the Directors, Key Managerial Personnel or their relatives are interested or concerned, financially or otherwise, in the resolution set out at Item No. 9 of the Notice.

COMMUNICATION ON TAX DEDUCTION ON DIVIDEND

Dear Shareholder(s)

We are pleased to inform you that the Board of Directors at its meeting held on Saturday, 14th May, 2022 recommended a final dividend of Re.1/- per Fully Paid-up Ordinary Share of Rs.10/- each, which will be paid to the shareholders, if approved, at the Annual General Meeting (AGM) of the Company scheduled to be held on Friday, 5th August, 2022. The dividend will be paid to those members, whose name shall appear in the Register of Members or in the Register of Beneficial Owners maintained by the depositories, as on the Record Date i.e. Friday, 29th July, 2022 (EOD).

As you are aware, as per the Income-tax Act, 1961 (the 'Act'), as amended by the Finance Act, 2020, dividends declared, distributed and paid by a company on or after April 1, 2020 shall be taxable in the hands of the shareholders. Pursuant to Section 194 of the IT Act, the Company shall also be required to deduct tax at source there from before making distribution or payment of the dividend at the rates applicable to each category of shareholder.

This communication provides a brief of the applicable Tax Deduction at Source (TDS) provisions under the Act for Resident and Non-Resident shareholder categories.

I. For Resident Shareholders -

Tax is required to be deducted at source under Section 194 of the Act, at the rate of 10% on the amount of dividend where shareholders have valid Permanent Account Number (PAN). In case, Shareholders do not have PAN /Aadhaar have not registered their valid PAN/Aadhaar details in their account, TDS at the rate of 20% shall be deducted under Section 206AA of the Act.

a. Resident Individuals:

No tax shall be deducted on the dividend payable to resident individuals if –

- Total amount of dividend paid / distributed or likely to paid / distributed during the Financial Year 2022-23 does not exceed INR 5,000/- during that financial year; or
- Tax on shareholders' estimated total income is Nil and a declaration is received from the concerned shareholder in Form 15G (for individuals up to the age of 60 years) / Form 15H (for individuals of the age of 60 years or above).

b. Resident (other than Individuals):

- No TDS shall be deducted from dividend payable to Mutual Funds, Insurance Companies, Category I and II Alternative Investment Fund, Recognised Provident funds, Approved Superannuation Fund, Approved Gratuity Fund, National Pension Scheme, Government (Central/State) or any other entity entitled to exemption from TDS for the time being in force, subject to specified conditions and submission of declaration as per Annexure 1 with certified copies of evidences.

- c. In case, shareholders (both individuals and non-individuals) provide certificate under Section 197 of the Act, for lower / NIL withholding of taxes, rate specified in the said certificate shall be considered, on submission of copy of the certificate along with self-attested copy of the PAN card.

II. For Non-resident Shareholders -

- a. Taxes are required to be withheld in accordance with the provisions of Section 195 of the Act at the rates in force, i.e., at the rate of 20% (plus applicable surcharge and cess) on the amount of dividend payable to them. In case, non-resident shareholders provide a certificate issued under Section 197/195 of the Act, for lower/ Nil withholding of taxes, rate specified in the said certificate shall be considered, on submission of copy of the certificate.
- b. Further, as per Section 90 of the Act the non-resident shareholder has the option to be governed by the provisions of the Double Tax Avoidance Agreement ("DTAA") (if any) between India and the Country of tax residence of the shareholder, if they are more beneficial to them. For this purpose, i.e. to avail Tax Treaty benefits, the non-resident shareholders are required to provide the following:
- i. Self-attested copy of the PAN Card allotted by the Indian Income Tax authorities, if available.

- ii. Self-attested copy of Tax Residency Certificate (TRC) (for the period 1st April 2022 to 31st March 2023) obtained from the tax authorities of the country of which the shareholder is a resident.
- iii. Self-declaration in Form 10F for the Financial Year 2022-23.
- iv. Self-declaration by the non-resident shareholder of having no Permanent Establishment in India in accordance with the applicable Tax Treaty, their eligibility to claim benefits of the said Tax Treaty and beneficial ownership of the shares (for the period 1st April 2022 to 31st March 2023).

Kindly note that the Company is not obligated to apply beneficial tax treaty rates at the time of tax deduction / withholding on dividend amounts. Application of beneficial rate of tax treaty for the purpose of withholding taxes shall depend upon completeness and satisfactory review by the Company of the documents submitted by the non-resident shareholder.

Note: Please note that the provisions of Section 206 AB of the IT Act (applicable w.e.f. 1st July, 2021) shall require deduction of tax at higher of the following rates from amount paid/credited to 'specified person':

- i. At twice the rate specified in the relevant provision of the Act; or

Your Directors are pleased to recommend payment of Dividend of ₹ 1.00 per Equity Share on face value of ₹ 10/- each (Previous year ₹ 1.00 per Equity Share) for the year ended 31st March, 2022 amounting to ₹ 90,05,985 lakhs subject to the approval of members at the ensuing Annual General Meeting.

SHARE CAPITAL

As on 31st March, 2022, the issued, subscribed and paid up share capital of your Company stood at ₹ 9,00,59,850. During the year under review, the Company has not issued any shares.

CERTIFICATIONS & RECOGNITIONS

Ananda Tea Estate has been accredited with ISO 9001:2015, ISO 22000 : 2018 and HACCP certifications by KVQA.

Ananda Tea Estate has also been issued verification certificate bearing no. TS-VS/CB/00000889/2022 under trustea code for sustainable tea in India by Control Union.

Impact of COVID-19 Pandemic

The surge in Covid infections in 2021 sapped consumer demand, but to a much more limited degree than the earlier waves , though emergence of new variants impaired market confidence and derailed nascent economic recovery.

The recovery that has been underway in the Indian economy with the ebbing of the second wave of the pandemic encountered headwinds from a surge in infections in a third wave marked by the rapid transmissibility of the Omicron variant. Accelerated rates of vaccination and substantially reduced mobility restrictions have improved consumer confidence. Mass vaccination helped in opening of the economy, and India delivered 157 crore doses that covered 91 crore people with at least one dose and 66 crore with both doses. The Company has been monitoring the situation closely and has taken various measures to comply with directions / regulations / guidelines issued by the Government and local bodies to ensure safety of workforce across all its factories and offices and ensure continuity of its operation.

OPERATIONS

Tea Division

During the year under review, all India crop for the financial year 2021-22 was 1329 million kgs against 1283.03 million Kgs for the financial year 2020-21, an increase of about 3.6%. The Company produced 20.80 Lakh Kgs for the financial year 2021-22 as against 17.33 Lakh Kgs for the financial year 2020-21, an increase of about 20%. However, the average realization fell by about 6.75%. Though the average sales realization was lower but due to higher production, the profitability of this division was better during the year under review.

Directors' Report

Your Directors expect higher production in the current year due to increased irrigation facilities and better field practices. As on date, the Company has produced about 24% more crop as compared to corresponding period of last year. Higher production and consistent quality tea manufacture is expected to yield better profitability for the tea division.

TEXTILE DIVISION

Year under review started with national lockdown and curfew in Ahmedabad due to spike in covid cases resulting in loss of production in the first half of the year. Thereafter, the markets bounced back and there was robust demand which led to improved margins of this division.

We expected the favorable trend in demand from the second quarter onwards and Company was also working out modernisation plan to improve the product mix and quality, completion of which could augur favourably for the future of this division.

However, all manufacturing operations at Asarwa Mills, Ahmedabad were halted due to the blockage of sewage pipelines and disconnection of power supply as per Gujarat High Court's direction w.e.f. 25th November, 2021. The company needed to go in for zero discharge, as per Gujarat Pollution Control Board (GPCB) norms which would entail substantial capital cost as well as running cost, making the unit even more unviable.

The management has closely monitored the developments and examined the viability of such investment and found the same to be unremunerative. Accordingly, as a strategic step of business planning /restructuring the Board of Directors of the Company, at its meeting held on 10th March, 2022 decided to close/sell/transfer/ dispose off its Textile division and related assets and equipments situated at Asarwa Mills, Ahmedabad, Gujarat together with all tangible and intangible assets in relation to the said Undertaking subject to the approval of the members. Notice of Postal Ballot dated 10th March, 2022 has been sent for taking the requisite approval of the Shareholders of the Company for closure and disposal of the Textile Unit of the Company situated at Asarwa Mills, Ahmedabad which has been received on 25th April, 2022. The net proceeds from the sale of the Undertaking will be utilized to undertake new business activities/investments opportunities.

Sale of Asarwa House, Ahmedabad

Your Company entered into a contract with M/s OM Infragreen LLP, Ahmedabad Gujarat for sale of company's bungalow situated at Asarwa House, Dr. Balwantrao Mehta Marg, Shahibaug Ahmedabad, Gujarat at a price of ₹ 31 Crores (Rupees Thirty One Crores only) on 1st November, 2021. The requisite approval of the Shareholders for the aforesaid sale under Section 180 (1) (a) of the Companies Act, 2013 was taken at the 35th Annual General Meeting of the Company held on 11th August, 2018. The Company has received the full payment from M/s OM Infragreen LLP and executed the Deed of conveyance .

Land at Dholka, Ahmedabad

The Company has received an offer for purchase of company's Property situated at GIDC, Dholka District, Ahmedabad ("Dholka Property"), Gujarat for a consideration of ₹ 20.51 Crores (Rupees Twenty Crores and Fifty One Lakhs Only). The Memorandum of Understanding for the sale of the said property will be entered into after due diligence.

Subsidiary of Rydak Enterprises & Investment Limited

The Company is a subsidiary of Rydak Enterprises & Investment Limited, (CIN: U15491WB1983PLC036235), Promoter with a holding of 50,60,870 equity shares i.e. 56.19% of the total Share Capital of the Company.

MATERIAL CHANGES OCCURRED BETWEEN THE END OF THE FINANCIAL YEAR UNDER REVIEW AND THE DATE OF THE REPORT

The closure and disposal of the Textile Unit of the Company situated at Asarwa Mills, Ahmedabad has been approved by the Shareholders of the Company vide Special Resolution dated 25th April, 2022 pursuant to the provisions of Section 180 (1) (a) the Companies Act, 2013. Apart from the above, there were no material changes and commitments, affecting the financial position of the Company which have occurred between the end of the financial year to which the financial statements relate and the date of the report.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Management Discussion and Analysis Report for the year under review, as stipulated under the Listing Regulations is set out in the annexure forming part of the Annual Report marked as **Annexure – "A"**.

CORPORATE GOVERNANCE REPORT

The Report on Corporate Governance in accordance with the Listing Regulations, approved by the Board together with a Certificate from Mrs. Swati Bajaj, (CP No. 3502, Membership No. ACS 13216) of M/s Bajaj, Todi & Associates, Practising Company Secretaries of 225D, A.J.C. Management Discussion & Analysis Report

ANNEXURE - A

(Forming part of Directors' Report for the financial year ended 31st March, 2022)

TEA DIVISION

Industry Structure and Developments: India is one of the largest Black Tea producer in the world producing approximately 1329 million kgs during the calendar year 2021. Markets have been lower for good quality teas whereas common medium teas have suffered resulting in significantly lower sales realization than the previous year.

Opportunities and Threats: The continuous promotional efforts and better marketing and brand building initiatives taken jointly by the Government/Tea Board including TRUSTEA programmes are likely to benefit the industry in the long term.

Erratic weather conditions and shortage of labour are the main threats to the industry.

Product-wise Performance: During the year under review, the production of Black Tea for your Company was higher as compared to previous year. Prices were slightly lower for good quality teas. The cost of production was lower due to increased production thereby improving the profitability of the division. The gist of performance of the division during the financial year 2021-22 is as under:

	Black Tea*		
	Production (Lakh Kgs)	Sales (Lakh Kgs)	Average Realisation (₹/Kgs)
2021-22	20.80	20.43	266.96
2020-21	17.33	17.17	286.29
Change (%)	20.02	18.99	(6.75)

*excludes operation of traded goods

Outlook: Disruption in the supply of Sri Lankan teas should augur well for global tea prices which could impact favourably the Indian tea realization. Russia-Ukraine war could also affect the off take of teas which could adversely impact the Indian tea average realization. After two years of lower crop, it seems the country is headed towards a year of normal cropping of around 1370 million kgs. This could have an adverse impact on realization. However, focus on manufacture of better quality teas and lower cost of production should augur well for the division.

Risks & Concerns: Besides climatic conditions, global production, the rising growth of bought leaf sector, shortage of labour during peak season, increase in wages and other costs could affect the fortunes of the Tea Industry.

Discussion on financial performance with respect to operational performance:

Though the average sales realization was lower but due to higher production resulting in lower cost of production, the profitability of this division was better during the year under review.

TEXTILE DIVISION

Industry Structure and Developments:

India's textile sector is one of the oldest industries in Indian economy and has an overwhelming presence in the economic life of the country. It plays a vital role in employment generation, export earnings and in industrial output. It provides direct and indirect employment to about 65 million people. India is among the few textile manufacturing countries in the world which is fully integrated from Fiber to finished products. Weak Global demand alongwith rising input cost affected the Textile industry again this year

Opportunities and threats:

Online shopping platforms: Increased penetration of internet and smartphones has changed the way companies market their products, enabling them to encash wider markets, reach more customers, and realise better sales.

Out of top-20 T&A global markets, India has lesser than 3% share in the globe's total T&A exports. This clearly hints at the wide potential of untapped markets, which also offer higher profitability and a tremendous opportunity to local exporters as well as India's export numbers. With manufacturing excellence, Indian manufacturers & exporters can position themselves distinctively to compete in these markets

Shortage & pricing issues of raw materials, infrastructure bottlenecks and rising freight costs, availability and cost of skilled manpower are a serious threat to the Textile Industry.

Product-wise performance:

Processing Section:

Despite the extreme circumstances, the industry began to witness early signs of economic resurrection in the year under review with several high-frequency indicators suggesting that the economy was back to a positive growth track and our division was also back on track and doing well but as per Gujarat High Court's direction in a suo-moto PIL to disconnect the sewage connection the Ahmedabad

Management Discussion & Analysis Report

Municipal Corporation has sealed the sewage pipeline of the Mill on 25th November, 2021. After the High Court's decision that industrial trade effluent is not allowed in sewage pipeline the management had decided to close down the unit. The gist of performance of the division during the financial year is as follows:

	Fabric		
	Production (Lakh Mtrs.)	Sales (Lakh Mtrs.)	Average Realisation (₹ Per Mtr)
2021-22	33.23	38.66	103.74
2020-21	36.93	39.39	91.26
Change (%)	(10.02)	(1.85)	13.67

Outlook

Apart from China, no other country except India possesses an end-to-end capability in the textile value chain. The trade war between US and China and post-pandemic sentiment for China, would both present India with opportunities of growth in the export markets. This, coupled with strong domestic market growth driven by favorable macros (rising urbanization, increasing disposable income of middle class) augurs well for Indian Textile Industry.

Risk and Concerns:

The continual increase in input costs such as raw material, power, labour, interest costs, shortage of skilled workers and uncertainty of global markets are main concerns of the textile industry.

Discontinuation of Operations of Textile Division

All manufacturing operations at Asarwa Mills, Ahmedabad were halted due to the blockage of sewage pipelines and disconnection of power supply as per Gujarat High Court's direction w.e.f. 25th November, 2021. In view of the above and after a careful and comprehensive review of present business environment, the Board of Directors vide their meeting dated 10th March, 2022 and the Shareholders vide Postal Ballot on 25th April, 2022 have approved to close/sell/transfer/dispose off its Textile division and related assets and equipment situated at Asarwa Mills, Ahmedabad, Gujarat together with all specified tangible assets in relation to the Undertaking.

#Excluding Profit from Exceptional Item

Notes on significant changes in financial ratios where change is > 25%

Improved profitability of Tea Division coupled with higher losses from Textile Division (since discontinued) impacted adversely the profitability ratios. However, this resulted in improvement in operating ratio due to closure of Textile Division.

B. Details of any change in Return on Net Worth as compared to the immediately preceding previous financial year along with a detailed explanation thereof:

Key Financial Ratios *	2021-22	2020-21	Difference (%)
Return on Net Worth (%)	10.78	9.27	16.34

Notes on significant changes in financial ratios where change is > 25%

Improved financial performance has resulted in improvement of return on network.

Management Discussion & Analysis Report

Internal Control Systems and their Adequacy: The Company has laid down guidelines, procedures and policies for better management control which are periodically tested and supplemented by an extensive internal audit programme. Significant findings are placed before the Audit Committee and the corrective measures are recommended for implementation. In the opinion of the management, the existing internal checks and controls are effective and adequate.

Information regarding Human Resources/Industrial Relations: The relationships at both the Divisions were cordial with the employees throughout the year. The total numbers of manpower employed by the Textile and Tea Divisions as on 31st March, 2022 were 12 and 1515 respectively.

Cautionary Statement: *The forward-looking statements and the views expressed in the Management Discussion and Analysis Report are based on certain assumptions. The actual results, performances or achievements may differ materially from those stated therein. The Company would not be held liable, in any manner, if the future turns out to be quite different, even materially.*

Secretarial Audit Report

ANNEXURE - C

SECRETARIAL AUDIT REPORT

for the financial year ended 31st March 2022

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Bengal Tea & Fabrics Limited

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Bengal Tea & Fabrics Limited** (hereinafter called "the Company").

Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March 2022, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

1. We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2022, according to the provisions of:
 - (i) The Companies Act, 2013 (the Act) and the rules made thereunder.

Independent Auditor's Report

To the members of
Bengal Tea & Fabrics Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Bengal Tea & Fabrics Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended and notes to the financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statement").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Emphasis of Matter

Material Uncertainty related to Going Concern for Textile Division

We draw your attention to note 40 of the financial statements which explains the management's decision to close / sale / transfer / dispose of the Textile Division. Accordingly, all assets and liabilities of the Division are disclosed in accordance with the requirements of IND AS 105 – "Non-Current Assets Held for Sale and Discontinued Operations".

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended March 31, 2022. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

Independent Auditor's Report

Sr. No.	Key Audit Matter	Auditor's Response
1	<p>Disclosure of Contingency, litigation & Taxation</p> <p>The Company has material uncertain tax positions including matters under dispute which involves significant judgement to determine the possible outcome of these disputes.</p> <p>The Company is exposed to different laws, regulations and interpretations thereof. The company is also subject to number of significant claims, litigations, regulatory including Income tax {refer note no. 41} and various matters require legal interpretation that arises from time to time in the ordinary course of business. The assessment of the likelihood and quantum of any liability in respect of these matters can be judgmental due to the uncertainty inherent in their nature. The Company is required to assess the need to make provision or disclose a contingency on a case-to-case basis considering the underlying facts of each litigation</p> <p>We have considered this to be a key audit matter, since the accounting and disclosure of claims and litigations is complex and judgmental and the amounts involved are, or can be, material to the financial statements.</p>	<p>Principal Audit Procedures</p> <ul style="list-style-type: none"> ❖ Understanding and assessing the internal control environment relating to the identification, recognition and measurement of provisions for disputes, potential claims and litigation, and contingent liabilities; ❖ Analysed significant changes/update from previous periods and obtained a detailed understanding of such items. Assessed recent judgments passed by the court authorities affecting such change; ❖ Discussed the status of significant known actual and potential litigations with the management & noted that information placed before the board for such cases and, ❖ Assessment of the management's assumptions and estimates related to the recognized provisions for disputes and disclosures of contingent liabilities in the financial statements.

Information other than the financial statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, for example Board's Report, Report on Corporate Governance, Management Discussion and Analysis Report, etc. but does not include financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance and conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate,

Independent Auditor's Report

they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- d. Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
- e. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the financial year ended March 31, 2022 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit total revenue of Rs. 4501 Lakhs and Rs. NIL and total comprehensive income of Rs. (13) Lakhs and Rs. NIL of Textile Division & Real Estate Division for the year ended March 31, 2022 respectively and the total assets of Rs. 1543 Lakhs and Rs. 2,032 Lakhs of Textile Division & Real Estate Division as at March 31, 2022 respectively, (including Revenue amounting to Rs. 4501 Lakhs, profit before tax of Rs.858 Lakhs and assets of Rs. 1543 Lakhs for the discontinued operations of Textile Division as disclosed in the Financial Statement) whose financial information have been audited by the other auditor and whose report has been furnished to us, and our opinion in so far as it relates to the affairs of these divisions is based solely on the report of the other auditor.

Our conclusion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. Annexure “A” to the Auditors' Report of even date

(Referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Bengal Tea & Fabrics Limited of even date)

- i. a.(A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property Plant & Equipment.
- (B) The Company has maintained proper records showing full particulars of intangibles assets.
- b. Property, Plant and Equipment are physically verified by the management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- c. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the company.
- d. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment or intangible assets or both during the year.
- e. According to information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act 1988 (45 of 1988) and rules made thereunder)
- ii. a. As informed to us, the inventories of the Company except for materials in transit and finished goods lying with third parties have been physically verified by the management and/or by an independent agency at the reasonable intervals. The year-end physical verification of inventories was carried out a firm of Chartered Accountants in textile division and by the management in tea division at the Balance sheet date. For stocks lying with third parties at the year-end, written confirmations have been obtained and in respect of goods-in-transit, subsequent goods receipts have been verified or confirmations have been obtained from the parties. The discrepancies noticed on verification between the physical stocks and the book records were not material.
- b. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of Stock and Debtors. In our opinion, the quarterly returns or statements filed by the Company with such banks or financial institutions are not in agreement with the unaudited books of accounts of the Company and the detail are as follows (Refer note – 23.3 to the financial statements):-

(Rs. In Lakhs)

Quarter Ending	Value as per		Variance	Reasons for Variances
	Books	Quarterly Statement		
Punjab National Bank				
June 30, 2021	1,035.33	1,152.36	(117.03)	The variances are mainly on account of valuation basis considered in the Stock Statement and Books of Accounts.

December 31, 2021	635.90	639.78	(3.88)	
March 31, 2022	454.16	587.86	(133.70)	

- iii. a. During the year the Company has not granted secured/unsecured loans/advances in nature of loans, or stood guarantee, or provided security to any parties. Accordingly, the reporting under clauses 3(iii)(a), 3(iii)(c), 3(iii)(d), 3(iii)(e) and 3(iii)(f) of the Order are not applicable to the Company.
- (b) In our opinion and according to the information and explanation given to us, the investments made during the year are prima facie, not prejudicial to the Company's interest.
- iv. In our opinion and according to the information and explanations provided to us, the Company has not granted any loans or provided any guarantees or security to the parties covered under Section 185 of the Act. The Company has complied with the provisions of Section 186 of the Act in respect of investments made as covered under Section 186 of the Act.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits from the public within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable to the Company.

Annexure “A” to the Auditors’ Report of even date

- vi. We have broadly reviewed the books of account maintained by the company pursuant to the Rules made by the Central Government for the maintenance of cost records under Section 148 (1) of the Act in respect of the Company’s products to which the said rules are made applicable and are of the opinion that prima facie, the prescribed records have been maintained. We have however not made a detailed examination of the said records with a view to determine whether they are accurate or complete.
- vii. a. According to the information and explanations given to us, during the year, the Company has generally been regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Employees’ State Insurance, Income Tax, Goods & Service Tax, Custom duty, Cess and other material statutory dues as applicable to it with the appropriate authorities. - b. According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared Wilful Defaulter by any bank or financial institution or government or government authority.
- c. In our opinion and according to the information and explanations given to us by the management, no term loans were obtained by the company during the financial year.
- d. According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- e. According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of any company to meet the obligations as defined under the Act.
- f. According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities as defined under the Act.
- x. a. In our opinion, and according to the information and explanations given to us, the Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, clause 3(x)(a) of the Order is not applicable to the Company.
- b. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- xi. a. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanation given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the management.

Annexure "A" to the Auditors' Report of even date

- b. During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by cost auditor/secretarial auditor or by us in Form ADT - 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- c. As represented to us by the management, there are no whistle blower complaints received by the Company during the year
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable to the Company.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the standalone financial statements as required by the applicable Indian accounting standards - 24 "Related Party Disclosures".
- xiv. a. Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
b. We have considered the internal audit reports of the Company issued till date for the period under audit.
- xv. According to the information and explanations given to us and as represented to us by the management and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- xvi. a. According to the information and explanations given to us, the provisions of section 45-IA of the Reserve Bank of India Act, 1934 are not applicable to the Company. Accordingly, the requirement to report on clause (xvi) (a) & (b) of the order is not applicable to the Company
b. The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.
c. Based on the information and explanations provided by the management of the Company, the Group does not have any CIC's, which are part of the Group. We have not, however, separately evaluated whether the information provided by the management is accurate and complete. Accordingly, reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.
- xvii. The Company has not incurred any cash losses in the current financial year 2021-22 and in the immediately preceding financial year 2020-21.

Report on the Internal Financial Controls with reference to Financial Reporting under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to financial reporting of Bengal Tea & Fabrics Limited (“the Company”) as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls with reference to Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial reporting and their operating effectiveness. Our audit of internal financial controls with reference to financial reporting included obtaining an understanding of internal financial controls with reference to financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial reporting.

Meaning of Internal Financial Controls with reference to Financial Reporting

A company’s internal financial control with reference to financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Reporting

Because of the inherent limitations of internal financial controls with reference to financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial reporting and such internal financial controls with reference to financial reporting were operating effectively as at March 31, 2022, based on the internal control with reference to financial reporting

Annexure “B” to the Independent Auditors' Report

criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matter

Our aforesaid reports under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the Internal financial controls with reference to financial reporting in so far as it relates to Textile Division & Real Estate Division (including discontinued operations as disclosed in the Financial Statements – Refer note 40) is based on the corresponding reports of the other auditors of the branches not visited by us. Our opinion is not modified in respect of this matter.

Notes to Financial Statements as on and for the year ended 31st March, 2022

1. CORPORATE AND GENERAL INFORMATION

Bengal Tea & Fabrics Limited was incorporated in the year 1983 and later on, in the year 1985, it took over the whole undertakings of Bengal Tea & Industries Limited, earlier known as Bengal Tea Company Limited. At present the Company has interest in the business of Tea, Textiles & Real Estate. The Company is a Public Limited company incorporated and domiciled in India and has its registered office at 45, Shakespeare Sarani, Kolkata-700017 and is listed on BSE Limited.

2. BASIS OF ACCOUNTING

2.1. Statement of Compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 (as amended) notified under Section 133 of Companies Act, 2013 (the Act) and other relevant provisions of the Act.

These financial statements have been approved for issue by the Board of Directors on 14th May 2022.

2.2. Basis of Accounting

The Company maintains accounts on accrual basis following the historical cost convention, except for followings:

- Certain Financial Assets and Liabilities is measured at Fair value/ Amortised cost (refer accounting policy regarding financial instruments);
- Defined Benefit Plans – plan assets measured at fair value; and
- Biological Assets – At fair value less cost to sell

2.3. Functional and Presentation Currency

The Financial Statements are presented in Indian Rupee (INR), which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates. All financial information presented in INR has been rounded off to the nearest lakhs as per the requirements of Part II of Schedule III, unless otherwise stated.

2.4. Use of Estimates and Judgements

The preparation of financial statements in conformity with Ind AS requires judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

2.5. Presentation of Financial Statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended).

2.6. Operating Cycle for current and non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1. The Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

An asset is classified as current when it is:

- Expected to be realized or intended to sale or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All the other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;

Notes to Financial Statements as on and for the year ended 31st March, 2022

- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current. Deferred Tax Assets and Liabilities are classified as non-current assets and liabilities respectively.

2.7. Measurement of Fair Values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 — Inputs which are unobservable inputs for the asset or liability.

External valuers are involved for valuation of significant assets and liabilities. Involvement of external valuers is decided by the management of the company considering the requirements of Ind AS and selection criteria include market knowledge, reputation, independence and whether professional standards are maintained.

3. ACCOUNTING POLICIES

A summary of the significant accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all the periods presented in the financial statements.

3.1. INVENTORIES

- **Raw Materials:** At Cost or Net Realizable Value whichever is lower. Cost of harvested tea leaves, produced from own gardens, is measured at fair value less cost to sell at the point of harvest of tea leaves. Cost of other raw materials is measured on weighted average basis. Cost at Textile Division is arrived at on the basis of cost of respective lots remaining in stock and related expenses.
- **Stores and Spare Parts:** Stores and Spare Parts are measured at cost or net realizable value (NRV) whichever is lower. Cost of stores except for coal is arrived at on FIFO basis in Textile Division. All stores at Tea Division and Coal at Textile Division are valued on weighted average basis.
- **Material in Process:** Material in Process is valued at lower of cost on absorption basis and net realizable value.
- **Finished Goods:** Finished goods produced from agricultural produce are valued at lower of cost and the net realizable value (NRV). Cost is arrived at by adding the cost of conversion to the fair value of agricultural produce. Other finished goods are measured at cost on absorption basis or NRV whichever is lower.
- **Land:** Land planned for development is converted into stock-in-trade at fair market value (Cost) as at the date of conversion including expenditure relating to development of land. Cost of land and development is charged to statement of profit & loss proportional to the area sold at the time when corresponding revenue is recognized.
- **Waste :** Waste is valued at estimated realisable value.

3.2. Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short term deposits with an original

Notes to Financial Statements as on and for the year ended 31st March, 2022

maturity of three months or less, which are subject to an insignificant risk of change in value.

For the purpose of the statement of cash flows, cash and cash equivalents includes cash on hand, term deposits and other short-term highly liquid investments, net of bank overdrafts as they are considered an integral part of the Company's cash management. Bank overdrafts are shown within short term borrowings in the balance sheet.

3.3. Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. Current and deferred tax is recognised in the statement of profit and loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

3.3.1. Current Tax:

Current tax liabilities (or assets) for the current and prior periods are measured at the amount expected to be paid to (recovered from) the taxation authorities using the tax rates (and tax laws) that have been enacted or substantively enacted, at the end of the reporting period.

3.3.2. Deferred Tax

- Deferred Tax assets and liabilities is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.
- Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes (i.e., tax base). Deferred tax is also recognized for carry forward of unused tax losses and unused tax credits.
- Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.
- The carrying amount of deferred tax assets is reviewed at the end of each reporting period. The Company reduces the carrying amount of a deferred tax asset to the extent that it is no longer probable that sufficient taxable profit will be available to allow the benefit of part or that entire deferred tax asset to be utilized. Any such reduction is reversed to the extent that it becomes probable that sufficient taxable profit will be available.
- Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized either in other comprehensive income or directly in equity.
- Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

3.4. Property, Plant and Equipment

3.4.1. Tangible Assets (Other than Bearer Plants)

3.4.1.1. Recognition and Measurement:

- Property, plant and equipment held for use in the production or/and supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost, less any accumulated depreciation and accumulated impairment losses (if any).
- Cost of an item of property, plant and equipment acquired comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting any trade discounts and rebates, directly attributable costs of bringing the assets to its working condition and location for its intended use and present value of any estimated cost of dismantling and removing the item and restoring the site on which it is located.
- In case of self-constructed assets, cost includes the costs of all materials used in construction, direct labour, allocation of directly attributable overheads, directly attributable borrowing costs incurred in bringing the item to working condition for its intended use, and estimated cost of dismantling and removing the item and restoring the site on which it is located. The costs of testing whether the asset is functioning properly, after deducting the net proceeds from selling items produced while bringing the asset to that location and condition are also added to the cost of self-constructed assets.
- If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.
- Profit or loss arising on the disposal of property, plant and equipment are recognized in the Statement of Profit and Loss.

Notes to Financial Statements as on and for the year ended 31st March, 2022

3.4.1.2. Subsequent Measurement:

- Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the cost incurred will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced.
- Major Inspection/ Repairs/ Overhauling expenses are recognized in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any Unamortized part of the previously recognized expenses of similar nature is derecognized.

3.4.1.3. Depreciation and Amortization:

- Depreciation on Property, Plant & Equipment is provided under Straight Line Method at rates determined based on the useful life of the respective assets and the residual values in accordance with Schedule II of the Companies Act, 2013 or as reassessed by the Company based on the technical evaluation. In respect of the following assets, useful lives different from Schedule II have been considered on the basis of technical evaluation, as under:-
 - In case of asset, namely, Plucking, Pruning & Power Spraying Machines depreciation is provided on Straight Line Method at the rates determined considering the useful lives of 5 years which is based on internal assessment and the management believes that the useful lives as considered above best represent the period over which the respective assets shall be expected in use.
- Depreciation on additions (disposals) during the year is provided on a pro-rata basis i.e., from (up to) the date on which asset is ready for use (disposed of).
- Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.
- Disposal of Assets

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognized in the statement of profit and loss.

3.4.1.4. Capital Work in Progress

Capital work-in-progress is stated at cost which includes expenses incurred during construction period, interest on amount borrowed for acquisition of qualifying assets and other expenses incurred in connection with project implementation in so far as such expenses relate to the period prior to the commencement of commercial production.

3.4.2. Bearer Plants

3.4.2.1. Recognition and Measurement:

- Bearer Plants, comprising of mature tea bushes and shade trees are stated in the balance sheet at cost, less any accumulated depreciation and accumulated impairment losses (if any).
- Cost of bearer plants includes the cost of uprooting, replanting, rejuvenation and maintenance, fertilizers & agro-chemicals etc till the time it started bearing Green Tea Leaves.

3.4.2.2. Subsequent Measurement:

Costs incurred for infilling including block infilling are generally recognized in the Statement of Profit and Loss unless there is a significant increase in the yield of the sections, in which case such costs are capitalized and depreciated over the remaining useful life of the respective sections.

3.4.2.3. Depreciation:

- Depreciation on bearer plants is recognised so as to write off its cost over useful lives, using the straight-line method.
- The estimated useful life, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.
- Estimated useful life of the bearer plants has been determined to be 80 years. The residual value in case of Bearer Plants has been considered as 5%.

3.4.2.4. Capital Work in Progress

Young tea bushes & shade trees, including the cost incurred for procurement of new seeds and maintenance of nurseries, are carried at cost less any recognized impairment losses under capital work-in-progress. Cost includes the cost of land preparation, new planting and maintenance of newly planted bushes until maturity. On maturity, these costs are classified under bearer plants. Depreciation of bearer plants commence on maturity.

Notes to Financial Statements as on and for the year ended 31st March, 2022

3.5. LEASES

3.5.1. Company as a lessee

The Company has applied Ind AS 116-Leases, the standard, using the modified retrospective method, to its leases with the cumulative impact recognised on the date of initial application (1st April, 2019).

The Company's lease asset classes primarily consist of leases for Land and Buildings. The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short term leases) and leases of low value assets. For these short term and leases of low value assets, the Company recognises the lease payments as an operating expense on a straight line basis over the term of the lease.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The remeasurement normally also adjusts the leased assets.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

3.5.2. Company as a lessor

➤ Finance Lease

Leases which effectively transfer to the lessee substantially all the risks and benefits incidental to ownership of the leased item are classified and accounted for as finance lease. Lease rental receipts are apportioned between the finance income and capital repayment based on the implicit rate of return. Contingent rents are recognized as revenue in the period in which they are earned.

➤ Operating Lease

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating leases is recognized on a straight-line basis over the term of the relevant lease except where scheduled increase in rent compensates the Company with expected inflationary costs.

3.6. Revenue Recognition

Revenue from contract with customers is recognised when the Company satisfies performance obligation by transferring promised goods and services to the customer. Performance obligations are satisfied at a point of time or over a period of time. Performance obligations satisfied over a period of time are recognised as per the terms of relevant contractual agreements/ arrangements. Performance obligations are said to be satisfied at a point of time when the customer obtains controls of the asset.

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and value added tax. Transaction price is recognised based on the price specified in the contract, net of the estimated sales incentives/ discounts. Accumulated experience is used to estimate and provide for the discounts/ right of return, using the expected value method.

A refund liability is recognised for expected returns in relation to sales made, corresponding assets are recognised for the products expected to be returned.

3.6.1. Sale of Products:

Revenue from sale of products is recognized when the control on the goods have been transferred to the customer. The performance

Notes to Financial Statements as on and for the year ended 31st March, 2022

obligation in case of sale of product is satisfied at a point in time i.e., when the material is shipped to the customer or on delivery to the customer, as may be specified in the contract.

Fabric products

Fabric products comprise of sale of cotton and blended fabrics.

Tea

Revenue from tea comprises of sale of Black tea and other allied products.

Job-work

Job-work comprises of income from many processes required to be performed on textile products to arrive at desired output.

Real Estate

Real estate comprises of revenue from sale of land held for sale at Dholka, Ahmedabad.

Performance obligations and remaining performance obligations

The remaining performance obligation disclosure provides the aggregate amount of the transaction price yet to be recognized as at the end of the reporting period and an explanation as to when the Company expects to recognize these amounts in revenue. Applying the practical expedient as given in Ind AS 115, the Company has not disclosed the remaining performance obligation related disclosures for contracts where the revenue recognized corresponds directly with the value to the customer of the entity's performance completed to date, typically those contracts where invoicing is on time and material basis. Remaining performance obligation estimates are subject to change and are affected by several factors, including terminations, changes in the scope of contracts, periodic revaluations, adjustment for revenue that has not materialized and adjustments for currency.

3.6.2. Other Income:

3.6.2.1. Export Incentives: Export incentives are accounted for in the year of export.

3.6.2.2. Interest Income: For all debt instruments measured either at amortized cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset.

3.6.2.3. Insurance and other claims: Insurance and other claims to the extent considered recoverable are accounted for in the year of claim.

3.6.2.4. Other Income: Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

3.7. Employee Benefits

3.7.1. Short Term Benefits

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as the related services are provided. Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period.

3.7.2. Other Long Term Employee Benefits

Provision for other defined benefit for long term leave encashment is made based on an independent actuarial valuation on projected unit credit method at the end of each financial year. Actuarial gains and losses are recognized immediately in statement of profit and loss as income or expenses.

3.7.3. Post Employment Benefits

The Company operates the following post employment schemes:

➤ **Defined Contribution Plan**

The company has defined contribution plans in the form of Provident Fund, Superannuation Fund, EDLI, ESIC, and Labour Welfare Fund and the contributions are charged to Statement of Profit & Loss of the year as and when the contributions to the respective funds are due. There are no other obligations other than contribution payable to the respective funds.

➤ **Defined Benefit Plans**

The liability / asset recognized in the Balance Sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company's net obligation in respect

Notes to Financial Statements as on and for the year ended 31st March, 2022

of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods. The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

The liability or Assets are recognized for defined benefit plans is the present value of the defined benefit obligation at the reporting date less the fair value of plan assets, together with adjustments for unrecognized actuarial gains or losses and past service costs. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. The benefits are discounted using the government securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation.

Remeasurements of the net defined benefit obligation, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling, are recognized in other comprehensive income. Remeasurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss.

3.8. Government Grants

Government grants are recognised at their fair value, where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.

The grant relating to the acquisition/ construction of an item of property, plant and equipment are included in non-current liabilities as deferred income and are credited to profit or loss on the same systematic basis as the respective assets are depreciated over their expected life.

3.9. Foreign Currency Transactions

- Foreign currency (other than the functional currency) transactions are translated into the functional currency using the spot rates of exchanges at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rate of exchanges at the reporting date.
- Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities are generally recognized in profit or loss in the year in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those qualifying assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings, the balance is presented in the Statement of Profit and Loss within finance costs.
- Non monetary items are not retranslated at period end and are measured at historical cost (translated using the exchange rate at the transaction date).

3.10. Borrowing Costs

- Borrowing Costs consists of interest and other costs that an entity incurs in connection with the borrowings of funds. Borrowing costs also includes foreign exchange difference to the extent regarded as an adjustment to the borrowing costs.
- Borrowing costs directly attributable to the acquisition or construction of a qualifying asset are capitalized as a part of the cost of that asset that necessarily takes a substantial period of time to complete and prepare the asset for its intended use or sale.
- Transaction costs in respect of long term borrowing are amortized over the tenure of respective loans using Effective Interest Rate (EIR) method. All other borrowing costs are recognized in the statement of profit and loss in the period in which they are incurred.

3.11. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

3.11.1. Financial Assets

- **Recognition and Initial Measurement:**
All financial assets are initially recognized when the company becomes a party to the contractual provisions of the instruments. A financial asset is initially measured at fair value plus, in the case of financial assets not recorded at fair value through Statement of profit & loss, transaction costs that are attributable to the acquisition of the financial asset.
- **Classification and Subsequent Measurement:**
For purposes of subsequent measurement, financial assets are classified in four categories:
 - Measured at Amortized Cost;

Notes to Financial Statements as on and for the year ended 31st March, 2022

- Measured at Fair Value Through Other Comprehensive Income (FVTOCI);
- Measured at Fair Value Through Profit & Loss (FVTPL); and
- Equity Instruments designated at Fair Value Through Other Comprehensive Income (FVTOCI).

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

- Measured at Amortized Cost: A debt instrument is measured at the amortized cost if both the following conditions are met:
 - The asset is held within a business model whose objective is achieved by both collecting contractual cash flows; and
 - The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit & loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade receivables, cash and bank balances, loans and other financial assets of the company.

- Measured at FVTOCI: A debt instrument is measured at the FVTOCI if both the following conditions are met:
 - The objective of the business model is achieved by both collecting contractual cash flows and selling the financial assets; and
 - The asset's contractual cash flows represent SPPI.

Debt instruments meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at fair value with any gains or losses arising on remeasurement recognized in other comprehensive income, except for impairment gains or losses and foreign exchange gains or losses. Interest calculated using the effective interest method is recognized in the statement of profit and loss in investment income.

- Measured at FVTPL: FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as FVTPL. In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss. Equity instruments which are, held for trading are classified as at FVTPL.
- Equity Instruments designated at FVTOCI: For equity instruments, which has not been classified as FVTPL as above, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. In case the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment.

➤ **Derecognition:**

The Company derecognizes a financial asset on trade date only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

➤ **Impairment of Financial Assets:**

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS – 109 requires expected credit losses to be measured through a loss allowance. The company recognizes impairment loss for trade receivables that do not constitute a financing transaction using expected credit loss model, which involves use of a provision matrix constructed on the basis of historical credit loss experience. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

3.11.2. Financial Liabilities

➤ **Recognition and Initial Measurement:**

Financial liabilities are classified, at initial recognition, as at fair value through profit or loss, loans and borrowings, payables or as derivatives, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and

Notes to Financial Statements as on and for the year ended 31st March, 2022

borrowings and payables, net of directly attributable transaction costs.

➤ **Subsequent Measurement:**

Financial liabilities are measured subsequently at amortized cost or FVTPL. A financial liability is classified as FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on derecognition is also recognized in profit or loss.

➤ **Derecognition:**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

3.11.3. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counterparty.

3.12. Earnings Per Share

Basic Earnings per share (EPS) amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year. Diluted EPS amounts are calculated by dividing the profit attributable to equity holders adjusted for the effects of potential equity shares by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

3.13. Impairment of Non-Financial Assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value being higher of value in use and net selling price. Value in use is computed at net present value of cash flow expected over the balance useful lives of the assets. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (Cash Generating Units – CGU).

An impairment loss is recognized as an expense in the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in earlier accounting period is reversed if there has been an improvement in recoverable amount.

3.14. Provisions, Contingent Liabilities and Contingent Assets

3.14.1. Provisions

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognized as finance cost.

3.14.2. Contingent Liabilities

Contingent liability is a possible obligation arising from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events but is not recognized because it is not possible that an outflow of resources embodying economic benefit will be required to settle the obligations or reliable estimate of the amount of the obligations cannot be made. The Company discloses the existence of contingent liabilities in Other Notes to Financial Statements.

3.14.3. Contingent Assets

Contingent assets usually arise from unplanned or other unexpected events that give rise to the possibility of an inflow of economic benefits. Contingent Assets are not recognized though are disclosed, where an inflow of economic benefits is probable.

3.15. Intangible Assets

3.15.1. Recognition and Measurement

Software which is not an integral part of related hardware, is treated as intangible asset and is stated at cost on initial recognition

Notes to Financial Statements as on and for the year ended 31st March, 2022

and subsequently measured at cost less accumulated amortization and accumulated impairment loss, if any.

3.15.2. Subsequent Expenditure

Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the cost incurred will flow to the Company and the cost of the item can be measured reliably. All other expenditure is recognized in the Statement of Profit & Loss.

3.15.3. Amortization

- Intangible assets are amortized over a period of five years.
- The amortization period and the amortization method are reviewed at least at the end of each financial year. If the expected useful life of the assets is significantly different from previous estimates, the amortization period is changed accordingly.

3.15.4. Intangible Assets under Development

Intangible Assets under development is stated at cost which includes expenses incurred in connection with development of Intangible Assets in so far as such expenses relate to the period prior to getting the assets ready for use.

3.16. Biological Assets and Agricultural Produce

3.16.1. Biological Assets

Biological assets of the company comprise of un-harvested green tea leaves that are classified as current biological assets.

The Company recognizes biological assets when, and only when, the Company controls the assets as a result of past events, it is probable that future economic benefits associated with such assets will flow to the company and the fair value or cost of the assets can be measured reliably. Expenditure incurred on biological assets is measured on initial recognition and at the end of each reporting period at its fair value less costs to sell. The gain or loss arising from a change in fair value less cost to sell of biological assets is included in Statement of Profit and Loss for the period in which it arises.

3.16.2. Agricultural Produce

The Company recognizes agricultural produce when, and only when, the Company controls the assets as a result of past events, it is probable that future economic benefits associated with such assets will flow to the Company and the fair value or the cost of the assets can be measured reliably. Agricultural produce harvested from the Company's biological assets are valued at fair value less cost to sell at the point of harvest. A gain or loss arising on initial recognition of agricultural produce at fair value less cost to sell shall be included in Statement of Profit & Loss for the period in which it arises.

The Company's agricultural produce comprises of green leaves plucked from its tea estate.

3.17. Operating Segment

Operating Segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM). The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Board of Directors. Segments are organized based on businesses which have similar economic characteristics as well as exhibit similarities in nature of production processes, the type and class of customer and distribution methods.

Segment revenue arising from third party customers is reported on the same basis as revenue in the financial statements. Inter-segment revenue is reported on the basis of transactions which are primarily market led. Segment results represent profits before finance charges, unallocated corporate expenses and taxes. "Unallocated Corporate Expenses" include revenue and expenses that relate to initiatives/ costs attributable to the enterprise as a whole and are not attributable to segments.

3.18. Non-current assets held for sale/ distribution to owners and discontinued operations

The Company classifies non-current assets as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use. Actions required to complete the sale should indicate that it is unlikely that significant changes to the sale will be made or that the decision to sell will be withdrawn. Management must be committed to the sale expected within one year from the date of classification.

The criteria for held for sale classification is regarded met only when the assets are available for immediate sale in its present condition, subject only to terms that are usual and customary for sales of such assets, its sale is highly probable; and it will genuinely be sold, not abandoned. The Division treats sale of the asset to be highly probable when:

- The appropriate level of management is committed to a plan to sell the asset,
- An active programme to locate a buyer and complete the plan has been initiated (if applicable),
- The asset is being actively marketed for sale at a price that is reasonable in relation to its current fair value,
- The sale is expected to qualify for recognition as a completed sale within one year from the date of classification, and

Notes to Financial Statements as on and for the year ended 31st March, 2022

- Actions required to complete the plan indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.

Non-current assets held for sale are measured at the lower of their carrying amount and the fair value less costs to sell. Assets and liabilities classified as held for sale are presented separately in the balance sheet.

Property, plant and equipment and intangible assets once classified as held for sale/ distribution to owners are not depreciated or amortised.

A disposal qualifies as discontinued operation if it is a component of an entity that either has been disposed of, or is classified as held for sale, and:

- Represents a separate major line of business or geographical area of operations,
- Is part of a single co-ordinated plan to dispose of a separate major line of business or geographical area of operations; or
- Is a subsidiary acquired exclusively with a view to resale;

Discontinued operations are excluded from the results of continuing operations and are presented as a single amount as profit or loss after tax from discontinued operations in the statement of profit and loss.

3.19. Recent Accounting Development

The amendments to the Schedule III of the Companies Act 2013 are applicable to the Company w.e.f 01st April, 2021. The Company has given effect of the amendments by inclusions of the relevant disclosures by way of additional notes and / explanatory notes wherever required.

New Standards / Amendments to Existing Standard issued but not yet effective upto the date of issuance of the Company's Financial Statement is disclosed below. The company intends to adopt these pronouncements when it becomes effective

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1, 2022, as below:

Ind AS 103 - Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 16 - Proceeds before intended use

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

Ind AS 37 - Onerous Contracts - Costs of Fulfilling a Contract

The amendments specify that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 109- Annual Improvements to Ind AS (2021)

The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 116 - Annual Improvements to Ind AS (2021)

The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration. The Company does not expect the amendment to have any significant impact in its financial statements.

4. SIGNIFICANT JUDGEMENTS AND KEY SOURCES OF ESTIMATION IN APPLYING ACCOUNTING POLICIES

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the

Notes to Financial Statements as on and for the year ended 31st March, 2022

circumstances. Information about Significant judgements and Key sources of estimation made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is included in the following notes:

- **Recognition of Deferred Tax Assets:** The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits.
- **Useful lives of depreciable/ amortisable assets (tangible and intangible):** Management reviews its estimate of the useful lives of depreciable/ amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to actual normal wear and tear that may change the utility of plant and equipment.

- **Right-of-use assets and lease liability**

The Company has exercised judgement in determining the lease term as the non-cancellable term of the lease, together with the impact of options to extend or terminate the lease if it is reasonably certain to be exercised.

Where the rate implicit in the lease is not readily available, an incremental borrowing rate is applied. This incremental borrowing rate reflects the rate of interest that the lessee would have to pay to borrow over a similar term, with a similar security, the funds necessary to obtain an asset of a similar nature and value to the right of-use asset in a similar economic environment. Determination of the incremental borrowing rate requires estimation.

- **Defined Benefit Obligation (DBO):** Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, medical cost trends, anticipation of future salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate. However, any changes in these assumptions may have a material impact on the resulting calculations.
- **Provisions and Contingencies:** The assessments undertaken in recognising provisions and contingencies have been made in accordance with Indian Accounting Standards (Ind AS) 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events is applied best judgement by management regarding the probability of exposure to potential loss.
- **Impairment of Financial Assets:** The Company reviews its carrying value of investments carried at amortized cost annually, or more frequently when there is indication of impairment. If recoverable amount is less than its carrying amount, the impairment loss is accounted for.
- **Allowances for Doubtful Debts:** The Company makes allowances for doubtful debts through appropriate estimations of irrecoverable amount. The identification of doubtful debts requires use of judgement and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.
- **Fair value measurement of financial Instruments:** When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.
- **Fair Value of Biological Assets:** The fair value of Biological Assets is determined based on recent transactions entered into with third parties or available market price.

44. DISCLOSURE PURSUANT TO INDIAN ACCOUNTING STANDARD - 19 'EMPLOYEE BENEFITS' AS NOTIFIED U/S 133 OF THE COMPANIES ACT, 2013

44.1 Defined Contribution Plan:

The Company makes a contribution for Provident Fund, EDLI, ESIC & Labour Welfare Fund towards defined contribution plans for eligible employees. The amount recognized as an expense for the Defined Contribution Plans when the contributions to the respective funds are due which for the financial year ended are as under:

Particulars	For the year ended 31st March 2022	For the year ended 31st March 2021
Provident Fund	198.30	173.45
Labour Welfare Fund	0.37	0.19
Employee State Insurance Scheme	2.86	3.54

44.2 Defined Benefit Plan

The following are the types of defined benefit plans :

a. Gratuity Plan (Funded)

The Company's gratuity scheme, a defined benefit plan is as per the Payment of Gratuity Act, 1972, covers the eligible employees and is administered through certain gratuity fund trusts. Such gratuity funds, whose investments are managed by insurance companies/trustees themselves, make payments to vested employees or their nominees upon retirement, death, incapacitation or cessation of employment, of an amount based on the respective employee's salary and tenure of employment. Vesting occurs upon completion of five years of service. The amount of gratuity payable is the proportionate salary for 15 days multiplied for the number of years of service based on the 26 days average salary computed on the basis of last drawn basic salary per month.

b. Other Defined Benefits (Un-Funded):

Other employee benefits are accounted for on accrual basis. Liabilities for compensated absences are determined based on independent actuarial valuation at year end and charge is recognised in the statement of profit and loss.

The Company recognises undiscounted amount of short term employee benefits during the accounting period based on service rendered by the employee. During the year ended 31st March 2022, Company has paid ₹ 74.44 lakhs towards short term leave benefits (31st March 2021 ₹ 64.80 lakhs).

Notes to Financial Statements as on and for the year ended 31st March, 2022

c. Risk Exposure

(Amt in ₹ lakh)

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

Asset Liability Matching (ALM) Risk	The Group Gratuity plans of the Insurance Companies faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.
Interest Rate Risk	A fall in the discount rate which is linked to the government securities rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.
Salary Risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.
Investment Risk	The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.
Concentration Risk	The Group Gratuity plans of the Insurance Companies has a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very less as insurance companies have to follow stringent regulatory guidelines which mitigate risk.
MORTALITY RISK / LIFE EXPECTANCY RISK	Since the Gratuity is accrued till and payable on retirement/ resignation/termination only as the case may be provided the vesting period of 5 years is completed. The Company has fixed retirement age of 58 years and 60 years for different set of employees. Hence, plans does not have any longevity risk.

Notes to Financial Statements as on and for the year ended 31st March, 2022

(Amt in ₹ lakh)

- l. The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.
- m. At 31st March 2022, the weighted average duration of the defined benefit obligation was 11 years in Tea Division & 7 years in Textile Division (previous year 11 years in Tea Division & 12 Years Textile Division).
- n. A separate trust fund is created to manage the gratuity plan and the contributions towards the trust fund is done as guided by rule 103 of the Income Tax Rules, 1962. As such there are no plan for amendments, curtailments and settlements in the Tea Division, but the Board has decided in its meeting dated 10th March 2022 to close the operation of the Textile Division (Since Discontinued Operations). Hence, all liabilities relating to Textile Division has been computed as due during next financial year itself. The Company expects to contribute ₹ 10 lakh (previous year ₹ 175.55 lakh) to its gratuity fund in 2022-23.

o. Sensitivity Analysis

The sensitivity analysis below have been determined based on a method that extrapolates the impact on defined benefit obligation (DBO) as a result of reasonable changes in key assumptions occurring at the end of the reporting period. Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

Particulars	Gratuity			
	2021-22		2020-21	
	Tea	Textile	Tea	Textile
Effect on DBO due to 1.0% increase in Discount Rate	(82.69)	(2.41)	(87.62)	(10.48)
Effect on DBO due to 1.0% decrease in Discount Rate	97.91	2.77	103.96	12.53
Effect on DBO due to 1.0% increase in Salary Escalation Rate	97.21	2.80	102.83	12.68
Effect on DBO due to 1.0% decrease in Salary Escalation Rate	(83.61)	(2.47)	(88.33)	(10.77)
Effect on DBO due to 1.0% increase in the Withdrawal Rate	1.93	0.36	(0.93)	(2.19)
Effect on DBO due to 1.0% decrease in the Withdrawal Rate	(2.24)	(0.40)	1.02	0.48

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

45. In accordance with the Guidance Note on "Accounting for Expenditure on Corporate Social Responsibility" activities, the requisite disclosure is as follows:

50.3 During the year ended 31st March 2022 and 31st March 2021, there were no transfers between Level 1 and Level 2 fair value measurements, and no transfer into and out of Level 3 fair value measurements.

50.4 Explanation to the fair value hierarchy

The Company measures financial instruments, such as, quoted investments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy as described in Note no. 2.7.

51. FINANCIAL RISK MANAGEMENT

The Company's activities expose it to market risk, liquidity risk and credit risk. In order to minimize any adverse effects on the financial performance of the Company, the Company has risk management policies as described below :

51.1 Credit Risk

Credit risk refers to the risk of financial loss arising from default / failure by the counterparty to meet financial obligations as per the terms of contract. The Company is exposed to credit risk for receivables, Cash & Cash equivalents, financial guarantees and derivative financial instruments. None of the financial instruments of the Company result in material concentration of credit risks.

Credit risk on receivables is minimum since sales through different mode (e.g., auction, consignment, private - both domestic and export) are made after judging credit worthiness of the customers, advance payment or against letter of credit by banks. The history of defaults has been minimal and outstanding receivables are regularly monitored. For credit risk on the loans to parties, the Company is not expecting any material risk on account of non-performance by any of the parties.

For derivative and financial instruments, the Company manages its credit risks by dealing with reputable banks and financial

institutions. Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

The carrying value of the financial assets represent the maximum credit exposure. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets.

51.2 Liquidity Risk

Liquidity risk is the risk that the Company may encounter difficulty in meeting its obligations. The Company monitors rolling forecast of its liquidity position on the basis of expected cash flows. The Company's approach is to ensure that it has sufficient liquidity or borrowing headroom to meet its obligations at all point in time. The Company has sufficient short-term fund based lines, which provides healthy liquidity and these carry highest quality credit rating from reputed credit rating agency.

51.2.1 Fund Management

Management monitors rolling forecasts of the Company's liquidity position (including the undrawn credit facilities extended by banks and financial institutions) and Cash & Cash equivalents on the basis of expected cash flows. In addition, the Company's liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

51.2.2 Maturity Analysis for financial liabilities

51.3 Market Risk

51.3.1 Foreign Exchange Risk

The Company operates internationally and is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the U.S.Dollar. Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the Company's functional currency (INR). The risk is measured through a forecast of highly probable foreign currency cash flows.

Since the Company's financials are prepared and reported in INR which also is the functional currency of the Company and as it doesn't have any foreign associate, subsidiary etc, there is no translation risk involved. On the date of financial results, Company doesn't have significant foreign currency trade payables and receivables etc. and is, therefore, not exposed to foreign exchange risk.

a. Exposure to Currency risk
