**FE BUREAU** Pune, June 25

THE COUNTRY HAS reported 48 cases of the Delta Plus variants across 10 states, Dr SK Singh, director, National Centre for Disease Control (NCDC), said on Friday at a media briefing of the health ministry. Maharashtra has reported 20 cases, Tamil Nadu nine and Madhya Pradesh seven.

Dr Balram Bhargava, director general, ICMR, said the 48 cases were localised, but would require continuous monitoring to see if the vaccines were working or if the disease was more transmissible or severe. Covishield and Covaxin are working against the Alpha, Beta, Gamma and Delta variants, Bhargava said. There was a slight reduction of neutralisation capabilities with the Delta variant in

PRESS TRUST OF INDIA New Delhi, June 25

THE ENFORCEMENT DIREC-**TORATE** (ED) on Friday conducted searches on the premises of former Maharashtra home minister Anil Deshmukh in Nagpur and Mumbai as part of a money laundering probe against him, officials said.

They said the raids are being carried out under the Prevention of Money Laundering Act (PMLA) and the locations include Deshmukh's residence in Nagpur.

It was not known if Deshmukh, 71, was present.

The central agency had registered a criminal case under the anti-money laundering law against Deshmukh and others last month after study-

ing a CBI FIR. The ED case came about after the CBI first carried out a preliminary enquiry followed by a regular case filed on the orders of the Bombay High Court, which asked it to look into the allegations of bribery made against Deshmukh by former Mumbai Police com-

missioner Param Bir Singh. Officials said the search teams are looking for additional evidence that can be important for their probe.
